

Introduction

Like all products in the Dexion product portfolio, Elite Built, Godfrey, Rola File and Vertiplan products are designed and manufactured to perform day in, day out and offer customers real value. In addition, we're committed to being the best at maximising customer satisfaction with our products and services.

Provided the use and care of products is in accordance with our user manuals, products manufactured at our Australian plant comes with the benefit of a 10 Year Warranty* against faulty materials or workmanship.

That means we will repair or replace any product or pay for the costs of doing so if we're notified within 10 years of the date of delivery, and provided all the information we need is available.

*Conditions apply.
