

# Dexion Ultima CI-80 Swing Doors

## Product overview

Dexion's Ultima CI-80 Swing Doors are a slim profile lockable doorset which can be added to new and existing CI-80 Shelving units to create a secure cabinet.

Featuring a full height recessed handle and reinforced door panels, Ultima CI-80 doorsets can be easily fitted to a single shelving bay or multiple adjacent shelving bays.

Utilising 2 point locking operated via a Secure 3000 series lock system featuring a removable barrel folding key with antimicrobial properties along with master key and barrel removal key functionality. This lock system and key functionality is interchangeable across Dexion's Strata2 cabinet range and Ultima Longspan2 Swing Door system.

Contact your local Dexion representative for further information.
