

Dexion Ultima® Longspan 2

Product overview

Dexion Ultima Longspan 2 is the ideal flexible shelving solution for a wide variety of applications. Engineered to be strong, durable and safe. The smart design is simple to assemble and can be customised to suit your needs.

Dexion Ultima Longspan 2 is ideal for:

- Compact mobile shelving storage solutions
- Large, bulky and heavy items
- Long, odd shaped or awkward items
- Carton live storage applications
- Archive boxes
- Artwork and museum items
- Work bench

Key features and benefits

- Step beam with flat front face provides space for applying labels
- Clip together assembly for fast easy assembly or disassembly
- Clip-less shelves (sitting on side rails) for single person fitting and removal
- Adjustable shelving at 50mm pitch for easy customisation
- Braced frames for strong durable construction
- Welded beam connectors provide stability for multi-tier applications
- Modern colour combination to suit office and commercial environment
- GECA Certified when fitted with Dexion steel shelf infills

Dexion Ultima Longspan 2 can be customised to suit your specific application. The following options are available:

- Flexible shelving options – Timber, Mesh, or Steel
- Hanging rails for clothes
- Large shelves for storage of bulky goods and cartons
- Slant storage levels for easy access to stored items
